RULES

1- The first class of the day will be a Trot only. This will let the horses settle. After that most classes are divided into 2 divisions. **A- Walk/Trot**, open to horses/ponies and riders not wanting to canter; and **B- Open**, to be done at the speed of your choice. If entries warrant we will split A and/or B and form another division.

NOTE: Any turns made in the ring are to be made to the LEFT! All race classes are to be run in groups of approximately four.

2- The same horse/rider combination may only enter 1 class in each division (exception: if you go in to help fill out a group or be a partner, you may still ride in the other class of that division). You may switch classes from division to division. The animal can do the same class/division with a different rider. The musical horse, costume class, and cupcake walk are open to all horse/ponies according to the rules specified

3- There will be a handler to help hold your horse. However, you are still responsible for controlling your animal. You should mount facing away from the finish line, be sure your feet are secure and you have a hold of the reins. YOU will need to tell the handler when to let go. There will be a mounting block or step stool available for each rider. YOU MAY NOT DO A "RUNNING" MOUNT.

4- The Gymkhana is open to both English and Western riders. EVERYONE MUST WEAR HARDHATS AND BOOTS WITH HEELS WHILE MOUNTED. Dollar Bareback riders may not wear full chaps.

5- Negative Coggins test within one year required at entry desk.

6- MEDICAL ALERT- The USEF has instituted a new rule concerning the vaccination for the Equine Influenza Virus and the Equine Herpes Virus (Rhinopneumonitis). Therefore, horses going to USEF as well as many other competitions are required to have proof of vaccination within six months for both of these viruses. AMIT is highly recommending but not requiring it for this year.

7- The rider is responsible for controlling his/her horse. Failure to do so may cause the show committee to drop you into a slower division or eliminate you from the class.

8- Pre-entry fees are \$25.00 for the whole day for each horse/rider combination, or \$3.00 per class. Post entry fees are \$35.00 for the whole day for each horse/rider combination, or \$4.00 per class.

9- *By entering the activity, the Rider (and Guardian of the Rider) agrees not to hold A Moment in Time Shows, LLC, A Moment in Time Farm, LLC, their affiliates, employees, agents and/or volunteers responsible for any injury, loss or damage incurred. The Rider (and Guardian of the Rider) represents that he/she has the requisite training, coaching, and abilities to safely be in this activity.*
