

New for 2018

This year we have created a new schedule for our Spring shows held during March, April, and May. Horses will now start in the beginning of the day and then move on to ponies in the afternoon, ending with the Foundation Equitation classes. Please be sure to read over the prize list for changes in class order as well as schooling breaks.

AMIT 2018 Show Series Team Award

For our Spring horse shows (March, April, and May) there will be an opportunity to participate in a team competition. Teams will consist of 3-4 riders. In order to participate in the team competition, teams will just need to sign up, there is no additional cost and no minimum show requirement. Each member of the high point team will receive a championship award as well as 1 division of waived entries fees at our June show.

How it works: Each member will get an average score based on the points accumulated in each class entered. All classes entered by the rider will count even if you ride multiple horses/ponies. The team score will be the combined total of each member's average score.

Scores for placing 1st through 6th:

1st – 7 points 2nd – 5 points 3rd – 4 points 4th – 3 points 5th – 2 points 6th – 1 points

If you have any questions about the Show Series Team Award, please see Becky Edwards.
